GARAGE DOORS

AP200LV LuxeVue™

Majestic Views, Elegant Style

Exceptional quality, and the opportunity to create many different looks with a wide variety of panel styles, make the Raynor AP200LV a perfect choice for a pristine, high-end looking garage front. Step out of the ordinary and compliment your home's aesthetic features with a LuxeVue door.

ELEGANT STYLE

Step out of the ordinary and compliment your home's aesthetic features with a LuxeVue™ door. The AP200LV is the perfect choice for a pristine, high-end, garage door.

Pick your **COLOR***

Solid Color Options

Distinct Finish Woodtone Options

Dual direction oak woodgrain patterns run vertical between the embossed panels and horizontal with the rails to deliver a distinct, true grain appearance.

Painted Woodtone Options

Featuring a single directional woodgrain pattern that runs uniform across the entire width of the door.

Optional Post Paint Finish**

 **COLORWAVE™** Raynor's ColorWave™ features Sherwin-Williams® next generation post paint system for your garage door. With 1,500 colors to choose from, home and business owners can couple this elite paint system with state of the art Raynor manufacturing to craft the perfect look for their home or project.

The swatches shown on monitors and printed materials may vary from the actual color. For a true representation of the color, visit your local Raynor Dealer. Woodtones available on select panel types.

Black and charcoal colored steel doors come standard with a Cool Chemistry™ paint finish to protect from extreme heat. For environments where extreme heat and sunlight exposures are constant, black and charcoal colors are not recommended. Charcoal features the high performance PVDF coating (TIRNAR® or equivalent).

** Please reference Aspen brochure for complete color/panel availability.*

***Not all colors are available in solar reflective paint, colors that are not available as solar reflective cannot be used on polyurethane doors.*

PRODUCT BENEFITS EXCLUSIVE TO RAYNOR

WeatherLock™
Raynor's thermally efficient WeatherLock system is designed for the harshest climates. Our proprietary

WeatherLock™ section joint has continuous thermal break and air seal between steel sections. This modified tongue-in-groove joint provides exceptional strength, while effectively locking out both air and water infiltration into the garage's interior.

TruBalance™
Doors equipped with our patent pending TruBalance drum system are 87% easier to operate manually and

provide you with a peace of mind knowing you can safely and easily manually operate your garage door in emergency situations. This counter balance system comes standard on doors up to 8' high with oversized windows in the top section.

Authorized Dealer Network
When you select Raynor, you're not just getting a superior garage door, you're also getting professional

garage door installation and service expertise. Trust your Raynor garage door to someone who knows it better than anyone else, your professional Raynor Dealer.

NeuFoam™
State of the art high-density NeuFoam™ polyurethane insulation delivers maximum structural integrity and

door strength. Combine our state of the art insulation material with our proprietary WeatherLock™ section joint design and you get the industry's most energy efficient door.

SecureLoc™
Raynor's SecureLoc Anti-Break-In assurance plan combines a SecureLoc capable opener with the

strength of a Raynor residential garage door that locks automatically when the door closes. Have a peace of mind knowing your garage is protected from intrusion with SecureLoc! For more information on Raynor's Anti-Break-In assurance plan visit www.Raynor.com/SecureLoc.

Limited Lifetime Warranty
Dedicated to customer satisfaction, Raynor doors carry a "For as Long as You Own Your Home" limited

section warranty against rust, six (6) year limited warranty on hardware, and a three (3) year limited warranty on springs to the original purchaser. We stand behind our workmanship and product and are dedicated to customer satisfaction.

Pick your **OPENER**

Raynor Sentinel™ 360

Raynor's full line of residential openers offer a broad selection of performance, features and durability. All models offer the ultimate in safety and security features, are available in a variety of horsepower levels and drive systems, as well as wall mounted jackshaft operators and battery backup systems. MyQ™ technology enables you to securely monitor and control your garage door opener with your smart phone, tablet or computer.
